1) Welcome Wanda Wong

-NCTTA Board welcomes, HR Coordinator to the board, Wanda Wong who is currently the Eastern Canada 2 Division Director as well and our first woman board member since, Karen Chang in the late 1990's!

2) 2013 Championship Update

-WL states that certain locations have made inquiries: Rockford, IL, Mesa, Arizona

-JEW was not at the meeting (for some reason) and had the majority of inquiries so will follow up with him

3) Butterfly Update

-WL contacted Butterfly and they will take content from our newsletters to use (pics are a must)

4) Eligibility Updates

-ST spoke about certain divisions that are still missing elig. Forms from fall meets, Spring elig. Forms are due Feb. 6th

-ST also accepts Scanned forms but originals must be still mailed

5) Singles Registration Update

-small committee met last week: (DD, RK, WL, CW, ST) to talk about what will go into the singles registration page, name, email, etc. information

-we are waiting on 4 divisions to have their dates to us so that we can populate the singles registration page

-February 6th was decided as the Eligibility forms due date (in ST's hands). If meet happens after they MUST mail it directly themselves

-WL says: we have to (because of the early date) mass promote this: Twitter, Facebook, website, blogging, etc. hope to have page up in mid December

6) Results

-DW and RK have been diligently working on getting results and ratings to come together

-RK will put up ratings later this week of divisions that are accurate

7) Regional/Division Updates

-CW spoke about divisions with issues varying from Elig. Issues to payment issues

- schools still show up without elig. Forms and several schools this season have paid too late (past the 48 hr deadline)
- Board creates suggestion in the future to refund only x – 25 dollars to make school a transitional one for spring to avoid school from being slighted and not returning
- MN Division issue: only 2 schools showed up with proper elig. Forms, so the division is decertified as an official division and is now a transitional division where no team can qualify for Regionals/Nationals; however if a total of 3 schools show up with eligibility forms in Spring meet they can host a singles tournament that does have regional/national qualification

8) Regional Teams/Singles demo

- RK goes through the Regional team/singles excel sheet and how to train upcoming RD's
- training will happen in early/mid December so that they can get to the DD's
