Dear USTTA Board Member:

On behalf of the City of Pewaukee, we would be pleased to host the 2010 College Table Tennis National Championship!

The City of Pewaukee offers extraordinary facilities to host your tournament and its competitors. The Milwaukee Marriott West, the proposed host hotel, offers first class accommodations, great value and a staff that is eager to serve all of your needs.

In addition, the Waukesha & Pewaukee Convention and Visitors Bureau staff works closely with the hospitality community to ensure all needs are met. The staff will serve as your communication link to the host hotel, host event facility and the surrounding hospitality businesses, in addition to providing a variety of services for your event.

We look forward to the opportunity to host the 2010 Table Tennis Championships and very much appreciate your consideration!

Sincerely,

Scott Klein, Mayor
City of Pewaukee
