Dear USTTA Board Member:

On behalf of the city of Waukesha, it would be our pleasure to host the 2010 College Table Tennis National Championships!

The city of Waukesha and its varied facilities have hosted many state and regional competitions through the years. Our city is always eager to work with each group to assist in any way possible to make their event a success for the organizers and the competitors. The city of Waukesha has a strong and committed hospitality community that will offer a seamless experience, ensuring the best event planning and implementation.

The Waukesha & Pewaukee Convention and Visitors Bureau staff will work with your board and host committee to assist in securing competitively priced hotel room blocks, the best possible event facility and will also offer recreational and dining information, planning assistance before the event and of course, support services during the tournament.

We hope you will strongly consider Waukesha as the host for the 2010 Table Tennis Championship! We look forward to the opportunity to work with you to create a memorable tournament experience for all.

Sincerely,

Larry Nelson, Mayor
City of Waukesha
